

Leadership Link

a Leadership Marshfield Project

March 10, 2010

Dear Leadership Marshfield Alumni,

Congratulations on graduating from Leadership Marshfield! As a Leadership Marshfield graduate you have proven you are a leader in our community. Leadership Marshfield gave you a good overview of the community and taught you a bit about being a leader.

First let us introduce ourselves, Paula Jero, Amber Kiggens- Leifheit, and Laurie Smedegard. We have formed a project group for Leadership Marshfield and are looking for your help. We are piloting a new system to help non-profits in the Marshfield area obtain, and retain good, qualified, active board and committee members for their organizations. We are contacting you because we feel that you would be an excellent leader.

Non-profits use volunteers to steer their organization. Board or committee members bring different areas of expertise to these non-profits boards. The commitment level varies, as do the skills boards need. Many different types of skills are needed- financial, management, marketing, fund raising, grant writing, and public relations.

Might you be willing to serve on a non-profit board of directors or committee? Do you serve on a board already? Have you in the past? If so, why aren't you serving now- was it a good fit?

We have surveyed the local non- profits and the following link ([click here](#)) has a list of possible board openings listed. These boards have a need for good volunteers. If you would be interested in serving you may browse possible positions and contact the non-profit using the link on the website.

Thank you for considering volunteering. We are confident that you as a Leadership Marshfield Alumni can give the help our local non-profits need to better our community.

Sincerely,

Paula Jero, Marshfield United Way
Amber Kiggins-Leifheit, Marshfield Area Community Foundation
Laurie Smedegard, Figi's Inc.
Leadership Marshfield Class of 2010
